OBJECTIVE

An enthusiastic and dedicated aspiring software engineer, I'm eager to embark on my journey in the field of software development through a challenging and educational internship opportunity, with a solid foundation in data structures and algorithms and front-end web development. I am excited to apply my knowledge, learn from experienced professionals, and contribute to innovative projects, committed to honing my skills, embracing new challenges, and becoming a valuable member of the team as I work towards building a successful career in software engineering.

EDUCATION

The LNM Institute of Information Technology
Bachelor of Computer Science and Engineering

Expected 2025
CGPA 8.22

SKILLS

Programming	CPP, Java, SQL, \LaTeX
Web Development	HTML, CSS, Javascript, React
Soft Skills	Communication, Team Work, Adaptability, Consistency
Relevant Coursework	Data Structures and Algorithms, Computer Security, DBMS, AI, Software Engineering

PROJECTS

Personal Portfolio Website. Spearheading front-end innovation, I orchestrated the design of a web project using HTML and CSS, exemplifying my steadfast dedication to crafting visually stunning and responsive websites. This undertaking underscores my mastery in delivering user experiences that captivate and engage. ([Try it here](#))

CODING EXPERIENCE

- Explained coding Questions on Leetcode [LeetCode Profile](#) viewed by over 40K+ coders and got 100+ up votes.
- Solved over 550+ questions on Codeforces [Codeforces Profile](#) Solved at least 1 question for 271 days regularly.
- Solved over 290 questions on Leetcode [LeetCode Profile](#) having an active streak of 100+ days.
- 3 star coder on Codechef [Codechef Profile](#) Codechef Rating of 1689.

LEADERSHIP

- **Class Representative**
 - Acted as a liaison between classmates and faculty, addressing and resolving academic and non-academic concerns.
 - Collaborated with faculty and administration to implement improvements based on feedback and suggestions from classmates.
- **Project Manager - Lecture Hall Management System Project**
 - Exercising leadership as Project Manager for a 5-member team in the upcoming Lecture Hall Management System project.

ACHIEVEMENTS

- **Global Rank 60 in Codechef August Long 2022 Division 3.**
- **Global Rank 503 in Codechef Started 53 Division 3.**

EXTRA CURRICULARS

- Propelling 'Capriccio' as an active member, nurturing musical talents, and fostering artistic expression.
- Former district-level school cricket team member, now captained cricket team in intra-college tournament.
